ANALYSIS:

1. The existing land use on the property proposed to be annexed is one single-family house and the North 40 golf course.
2. With the recent annexation east of N. 84th St. this area is completely surrounded by the city limits.
3. The annexation request is associated with an Administrative Final Plat.
4. Section 26.11.105(k) of the Land Subdivision Ordinance requires that all land within the limits of a proposed administrative plat outside of, but adjoining or contiguous to, the corporate limits of the city must first be annexed by the council prior to approval of such plat.
5. This proposal is in conformance with the annexation policies on page F154 & F155 of the Comprehensive Plan:
 - ! Land which is remote or otherwise removed from the limits of the City of Lincoln will not be annexed; land which is contiguous to the City and generally urban in character may be annexed; and land which is engulfed by the City should be annexed.
 - ! Annexation generally implies the opportunity to access all City services (i.e., sewer, water, police, fire). Voluntary annexation agreements may limit or outline the phasing, timing or development of utility services (i.e., water, sewer) and may include specific or general plans for the financing of improvements to the infrastructure and the land uses of the area.
 - ! Plans for the provision of services within the areas considered for annexation shall be carefully coordinated with the Capital Improvements Program (CIP) of the city and the county.
6. The area to be annexed is within the City's Future Service Limit, as shown on Lincoln's Land Use Plan of the Comprehensive Plan (page F25).
7. These properties meet the Comprehensive Plan's policy for annexation since they are:
 - a) generally developed;
 - b) urban in character;
 - c) contiguous to the city limits;
 - d) generally has city utilities available or planned for.
8. An annexation agreement with the owners will provide for the eventual installation of improvements.
